the Government may be requested to accord sanction to this proposal at an early date. The amount of Rs. 8,000 may be met from the closing balance of the District Board.

23. Read correspondence ending with the Executive Engineer's Memo No. 159, dated 10th February 1917, stating that the construction of the bridge at Halgonahalli may cost about Rs. 3,000 to Rs. 4,000 at the site proposed and that it does not seem to be urgent in view of the fact that the bridge may become useless, if defined roads are opened in future due to reasonable traffic.

Resolution.—Resolved that the construction of the proposed bridge be deferred and that the Executive Engineer be requested to investigate and send up an estimate with a report mentioning the alignments for opening out a road from Irakasandra to Thondebhavi, *via* Mavattur.

24. Resolved that the next meeting of the District Board be held at 1 P.M., on Monday the 23rd May 1917.

K. CHANDY,
President.
